

NHS Shetland Waiting Times - Consultant Led Services & Physiological Measurement.

Report Period: 1 Oct 2023 to 31 Dec 2023.

This report is not an official publication. Whilst the data will be broadly similar to Scottih Government publications for NHS Shetland on consultant led service waiting times, the specialty categories used differ slightly and the data has not been through the same validation processes that official government publications are subject to prior to publication.

In the tables below, where the values for Total Seen or Total Waiting in any row are between 1 and 5, this information replaced with a "-" to avoid the potential for identification of individuals.
