Question/s to be Answered

I am writing to you to make a request for information under the Freedom of Information Act 2002.

I would be grateful if you could provide information on the following:

Among all the children and young people from your health board area who waited in

excess of the 18-week CAMHS standard and started their treatment in

(a) 2017-18 **35 days**

(b) 2018-19 **14 days**

(c) 2019-20 **77 days**

(d) 2020-21 **1960 days**

(e) 2021-22 up to December 182 days

(including those still waiting), what was the total number of days over the 18-week standard that they collectively waited.

Please break down the figures for each year specified.

For example, if a child began their treatment after 30 weeks, then that child would contribute 84 days towards the total for the year in which they started their treatment (12 weeks x 7 days).
