Question/s to be Answered

Can you tell me how many patients were given a formal diagnosis of dementia in 2019.

We had 56 new diagnoses across Shetland in 2019.

If possible could I get a breakdown of numbers and postcode areas.

- ZE1 0 - 26
- ZE2 9 - 27
- ZE3 9 – 3

So as not to risk identifying the patients involved, I have given you partial postcodes.
