Question/s to be Answered

I am making this request on behalf of LaingBuisson.

What is the main Radiology (RIS/CRIS) system that your Trust/Health Board runs?
Who is the supplier of this system?

What is the annual cost of the system?

How long is the contract for the system, and when does it expire?

What is the overall lifetime cost of the system?

What is the main Picture Archiving and Communications System (PACS) system that your Trust/Health Board runs?

Who is the supplier of this system?

What is the annual cost of the system?

How long is the contract for the system, and when does it expire?

What is the overall lifetime cost of the system?

What is the main Pathology (LIMS) system that your Trust/Health Board runs?

Who is the supplier of this system?

What is the annual cost of the system?

How long is the contract for the system, and when does it expire?

What is the overall lifetime cost of the system?

Rather than delay our response any longer, please accept the following as a partial response:

NHS Shetland is part of a NHS Scotland joint provision of a Picture Archiving and Communications System (PACS)

That at 16:45 on Friday 14 January 2022, an Advert was placed for the procurement of a Picture Archiving and Communications System (PACS) as a Managed Service on behalf of NHS Scotland. This has now been published on the Public Contracts Scotland website, reference number JAN437785 and can be viewed here: [View Notice - Public Contracts Scotland](#)

Under NHS Scotland procurement process Public Contracts Scotland is were notification are published.
