Question/s to be Answered

Can you tell me how many staff have reported complaints through the NHS Shetland whistleblowing system between April 2021 and now?

0

Can these be broken down to show whether the complaints were related to:

- Risk of harm/wrongdoing
- Patient safety
- Patient care
- Poor practice
- Unsafe working conditions
- Fraud
- Falsifying information
- Breaking legal obligations
- Abuse of authorities
- Covering up issues in the workplace

Can you also say how many of the complaints were then investigated, and if possible, what the final outcome of these investigations were?
