*Question/s to be Answered*

I am writing under the Freedom of Information (Scotland) Act 2002 to request details of average waiting times for specialist wheelchairs in this health board:

I would like details of average:

- a) Waiting times for referral
- b) Waiting times for assessment
- c) Waiting times for provision

NHS Shetland does not hold this information as all our wheelchair provision is under contract to the MARS team in NHS Grampian. They hold all their own data.

MARS = Mobility and Rehabilitation Service
