Question/s to be Answered

Could I please make the following FOI request:

1. Could you provide the full time equivalent (FTE) Stoma Nurse numbers in your Board Area per year (calendar or financial) from 2012 up until and including 2022?

0.2 for all years

2. How many Ileostomy procedures were carried out in your Board Area per year (calendar or financial) from 2012 up until and including 2022?

The Scottish Health Service attaches procedure codes according to the catalogue given by the Office of Population Censuses and Survey, using version 4 of their catalogue; so called OPCS4. In that classification we are looking for codes G74, G75 and H04 to H11. Please return to us if you want different or additional codes used in our search.
