Question/s to be Answered

I would like to request the following information.

Could you please provide:

- 1) The total length of stay in days of the longest admitted person in your health board area who is currently
  - i) admitted to a hospital-based assessment and treatment unit or any other NHS in-patient setting, including psychiatric wards and
  - ii) has a diagnosed learning disability or a diagnosis of autism, or both

**We currently have no patients who meet these criteria.**

- 2) Please could you specify which of the above – or any other - settings they are in currently

**N/A**

- 3) Please could you specify whether they have a diagnosis of learning disability, autism or both

**N/A**

- 4) Can you please provide the longest case of delayed discharge in your health board area who has a diagnosed learning disability or diagnosis of autism or both. Please note I would like a response that simply states the number of days which this person has been delayed discharge, as of the date of this request.

**N/A**

- 5) Could you please provide the total length of stay in days of the longest admitted person who i) was transferred from your health board area to an in-patient setting in another part of the UK, including any private hospitals ii) has a diagnosis of learning disability or autism or both

**N/A**

- 6) Please could you specify which of the above – or any other - settings they are in currently

**N/A**

## **Freedom of Information (Scotland) Act 2002**

I would like to receive this information electronically.

Should the cost of fulfilling this request near or exceed the financial threshold set out under the FOISA, then I would be happy to discuss reducing its scope at the earliest opportunity, and well in advance of the end of the response period set out in the legislation.
