Question/s to be Answered

1) Does your Trust routinely offer Laboratory based Coagulation testing? (please answer either yes or no to this question).

Yes

2) If you answered yes to question 1, can you please provide us with a list of the tests that you perform.

Prothrombin time
Activated partial thromboplastin time
Clauss Fibrinogen
D Dimer

3) If you answered yes to question 1 can you please tell us if any of these tests are sent away for testing outside of your trust (please also detail which tests are sent away).

All in question 2 performed locally. A number of other Coagulation tests are sent to another Health Board including all clotting factor assays, thrombophilia screening, and lupus anticoagulant screen.
