Question/s to be answered

Please can you tell me, for each month of the last three full financial years and the full months of this financial year to the date of this request, how many times your health board has used patient transport services supplied by a private provider and not the Scottish Ambulance Service.

In addition, can you tell me how much your health board has spent on private patient transport services in each month of the last three full financial years and the full months of this financial year to the date of this request?

My preferred format is MS Excel.
