Question/s to be Answered

Could you please provide an email contact list for all of GP Practice's Practice Managers within your Health Board under the Freedom of Information Act? <https://www.shb.scot.nhs.uk/community/index.asp>

We have ten practices in Shetland, eight of which are salaried and two are independent. For the independent practices (Levenwick and Hillswick) please contact them directly for their details. Please note that NHS Shetland owns all the buildings and provides the telephony and power supply, so Practice Managers have no say over these Suppliers, nor will they respond to any sales contacts.
