Question/s to be Answered

I am looking for information regarding the number of patients who have died whilst on an NHS waiting list in your health board. As such, can I request the following?

- 1) The total number of patients who have died whilst waiting on a waiting list for the last five years to present, broken down by year.
- 2) A breakdown, by number of weeks, of long the deceased patient had been on a waiting list.
- 3) The number of patients who have died whilst on a waiting list for the last five years to present, broken down by type by waiting list – a) diagnostics; b) outpatients; c) inpatients.
- 4) The number of patients who have died whilst on a waiting list for the last five years to present, broken down by type by speciality.

Is it possible to have this information provided in excel/spreadsheet format?
