Question/s to be Answered

I am writing to submit a Freedom of Information Request to all health boards in Scotland

In 2019, 2020, 2021, and 2022, how many teenagers- 13-19 per health board have been prescribed antidepressants please?

This response applies to young people who have been patients in CAMHS only. There may be additional CYP who have been prescribed anti-depressants by their GP but not been referred to CAMHS, although those numbers will be small if at all. I do not have access to that information.
