### Question/s to be answered

I am writing to make a Freedom of Information request to ask for the information your Health Board has recorded in regards of community pharmacy closures. I am looking for information reported and recorded about all closures from Wednesday 01<sup>st</sup> June 2022 to Sunday 31<sup>st</sup> July 2022.

**There were no planned or unplanned closures during this period in NHS Shetland**

1. The precise information I am requesting is
  - i. Contractor Code
  - ii. Name, address, and postcode of pharmacy
  - iii. Date of closure
  - iv. The precise times of closure, if more than one closure happens in one day, please report each closure as separate
  
2. Any reason given for the closure by the contractor, if none is recorded, please answer N/A or none. **n/a**
  
3. I am also looking for both types of closures, those which appear to have been unplanned, and those which were agreed in advance by certain health boards. If the closure was agreed to and planned in advance can you please state 'agreed' or 'planned' under 'reason for closure', if it was unplanned please give the reason stated by the contractor. **n/a**

I would prefer the answers in an Excel spreadsheet
