Question/s to be answered

I would like to see a copy of the response made by NHS Shetland to the proposed Safe Access (Abortion Services) Scotland Bill Consultation.

NHS Shetland has not provided a unique response to the Safe Access (Abortion Services) Scotland Bill Consultation.

Abortion Care in Shetland is a shared care pathway with specialist services at NHS Grampian. NHS Grampian's response will reflect the views of the Health Boards that it provides a shared care service with as the specialist provider.
