Question/s to be answered

1. Who is your current clinical waste / sharps container provider?

All bins come direct from National Distribution Centre (NDC) who purchase and distribute medical consumables on behalf of Health Board who purchase from 2 on contract suppliers (listed in question 3)

2. Do you have a contract with the sharps container provider and if so when does this contract end?

There are no contracts held for sharps bins at a local board level, this is dealt with nationally by NDC who purchase from national contract NP606/16.

3. Can you provide your current annual spend on sharps containers?

Both Suppliers below are on National contract

Supplier	Annual Spend
Frontier Plastics Limited	£233
Mauser UK Limited	£10,955
Grand Total	£11,188

4. Who is your current waste management provider for the disposal/collection of sharps & clinical waste and when does this contract end?

Provider is TRADEBE, contract ends 2032.
