Question/s to be answered

1. Can NHS Shetland provide information if the travelling and accommodation costs for the Dental Director are met from the public purse?

NHS Shetland can confirm that the travelling and accommodation costs for the Dental Director are not met from the public purse.

2. If they are, can NHS Shetland provide a full breakdown of these costs from his (Antony Visocchi) appointment to receipt of this FOI.

This would also include any partial payments of contributions from the public purse including part-subsidies or those costs claimed via any expense claims mechanisms
