Nil

Copies of Significant Adverse Event reviews that were concluded in 2021 and 2022.

One

The number of Significant Adverse Event reviews that have been commissioned but have not yet concluded.

Nil

There was only one case, over this entire period.

In accordance with FOISA s 16(1), NHS Shetland confirms that it holds the information requested but that it is exempt from disclosure under FOISA s 36(2) as disclosure would constitute an actionable breach of confidence.

Due to the low population of Shetland, any report, even redacted, would run the risk of identifying those affected.
