Question/s to be answered

1. The number of occasions in which the health board recorded incidents regarding incidents about staffing and its effect on patients between August 1st and 07/11/22 (date of FOI request)

Please provide a breakdown by day as well which hospital and any detail about the incident or concern.

Clarification:

Specifically, incidents that were referred to as “staffing/inappropriate skill mix” on the Datix Incident Reporting System.

If incidents aren't referred to as “staffing/inappropriate skill mix” then please include the most relevant category that relates to staffing incidents.

Datix Search:

Sub-Category: Lack of suitably trained / Skilled Staff

Results = 0 recorded incidents
