Question/s to be answered

Can I request for the last five financial years (2018/19, 2019/20, 2020/21, 2021/22 and 2022/23 - most recent) the following relating to hospitals in your health board:

1. The total number of patients who have had a cardiac arrest whilst in an Accident and Emergency waiting room whilst awaiting admission?

In accordance with FOISA s 17(1), NHS Shetland confirms that it does not hold the information requested.

2. The length of time a person had been waiting in A&E when they had a cardiac arrest?

See above.
