Please note for the above 2 questions that:

- The information provided is paid overtime i.e. hours worked in excess of whole time hours, therefore does not include excess hours up to whole time hours.
- It does not include any "overtime" hours worked where time off in lieu is given, rather than payment.
- It does not include hours paid at overtime rates for work done as a result of being on call.
- It does not include contractual overtime e.g. Extra Programme Activities for Consultants.
- For the period 2018/19 to May 2021 it's not possible to extract overtime hours paid during annual leave, therefore these periods will include any such payments. From 1 June 2021 any overtime paid during periods of annual leave are excluded.
