Question/s to be answered

1. How many unfilled shifts have there been in Out of Hours Services in this health board in each year since 2017, including the current calendar year to date?

None

2. How many GPs have been working out of hours in A&E departments or urgent treatment centres, including minor injury units or walk-in centres in this health board in each year since 2017, including the current calendar year to date?

None

3. How many healthcare professionals are working in primary care centres, A&E departments or urgent treatment centres in this health board? This would include any allied health professional who carries out out of hours care including dentists and optometrists etc. Please provide this for each year since 2017, including the current calendar year to date.

A&E is covered by nursing staff on a rota shift (currently 23 staff).

NHS Shetland does not have any primary care centres or urgent treatment centres.

4. How many healthcare professionals (other than doctors) have made home visits after in this health board in each year since 2017, including the current calendar year to date? Use the above definition of healthcare professional.

In accordance with FOISA s 17(1), NHS Shetland confirms that it does not hold the information requested.
