Question/s to be answered

Under FOI, I would like to request information on NHS Scotland's Pride Badge initiative, which was launched in June 2021.

Can you please tell me:

1. How many badges have been acquired by the health board, since the scheme's launch?

Approximately 200, the badges come in boxes of around 100 but the packaging did not list a precise number and we did not individually count them when they arrived.

2. How much money did the health board spend on these badges?

Circa £200

3. How many individual staff members signed up to the pride badge initiative, took the 'pride pledge', and were given a badge since the scheme's launch?

106
